

# ☞ Trail Maintenance Crew ☜

---

We are looking for a few good folks who are interested in being part of our trail maintenance crew. You don't have to know how to build trails, we will show you! If you enjoy being outside and want to learn how we take care of the trails in the Hoosier National Forest, then please apply below by signing up to join our Trail Maintenance Crew! You will not be required to work at all the work days. It will be flexible.....work one day of the summer or work several, totally up to you.

## Qualifications:

A desire to learn how to care for trails and to "give back" to MTR/HNF/HBCH  
A beating, loving heart ☺  
A camping unit to stay in over night when trail maintenance is several days  
If you can lift 30 lbs, push a wheel barrow, operate a rake or a hoe  
If you can operate an RTV or bobcat type equipment that is a plus  
Show up on time carrying your own lunch

## Work Time Frames:

March/April  
July/August  
November/December

## Compensation/ Perks:

Receive Free Camping and being the first member of the new MTR Trail Crew Club.  
(Trail Pit Crew?) (We need a name for this group) There will be special perks for Trail Crew members. We are just now putting this together, the first members will get to help us name the trail crew and help us put together a "rewards package!" So if you are remotely interested, sign up now!

To Apply: Send an email to [ride@midwesttrailride.com](mailto:ride@midwesttrailride.com) put in the subject line, "Join the Trail Crew!"
